Gary Loper is a Twitter expert, teaching people to use Twitter in relationship marketing, and also is a motivational speaker, life and business coach, and a highly respected entrepreneur. He has enthused and empowered individuals in all walks of life.

Gary has a strong background in marketing and sales, and his 30+ years of customer service and 15 years of direct sales adds more depth to who he is. With his diversity in spiritual studies, relationship building, life and business coaching, and marketing, customer service and sales, his background is a perfect blend to help others to be their best, in life and business.

He teaches his audience strategies and tactics on how to become successful, to produce and maintain positive solutions, to stay in a positive mindset, and attract and manifest true wealth. Gary empowers people to discover their gifts, develop confidence and create better relationships with themselves and others in their lives.
